Corners Outreach works locally with low income families. In 2022 we:

- Tutored over 650 students. Corners spends \$5/day (approximately \$1,000/year, per student) to provide tutoring in after school and summer programs.
- Partnered with Diaz Foods to provide close to 200 boxes of ethnic food each month to our families.
- Corners paid out over \$1,000,000 to parents for jobs.
- Corners offers three paths of involvement - volunteer, become a client of lawn services or leather goods or be a donor. All three help to lift families out of poverty. **Vist cornersoutreach.org for details.**
